## INTRODUCTION

An easy way to create your paper is to simply use this file as a template. Full-length papers, including figures and references, will be limited to 4-8 pages for oral presenters and 3-4 pages for poster presenters. The full text of conference oral and poster papers will be published via an electronic format yet to be determined and available to all attendees. The title should be 14-point bold Arial font and centered on the page. After a 14-point blank line, the author's name(s) should be listed with first name followed by last name in 12-point Arial font, centered on the page. Author contact information should be in 10-point Arial font, centered on the page, just below the names and should include organization and email address. Corresponding author information to be included at the end of the paper at the bottom needs to include a mailing address and phone number.

## BACKGROUND

After a 10-point blank double line, all other text should be 10-point Arial or Symbol font. Paragraphs should be single spaced and fully justified. Leave a blank line between paragraphs, such as shown here. When citing a reference in the text, type the corresponding reference number in square brackets as shown at the end of this sentence [1]. For figures, please keep formatting consistent with text wrapping, Figure # and a short caption.

## EXPERIMENTAL

Submissions should be sent in one of two formats, Adobe Acrobat PDF (preferred because it significantly reduces the file size) or Microsoft Word. Abstracts should be formatted for US letter paper (8.5 x 11") leaving a 1" margin on top, bottom and both sides. The corresponding author's name, phone and fax numbers, email address, affiliation, and contact address should be listed after the paper text. Please indicate at the end the preference of oral or poster presentation and assign the appropriate topic area from the topic list on the ICPT 2022 website.

## DISCUSSION

Papers must be submitted by the end of day, **August 31, 2022**. Please submit your paper by email to [support@icpt2022.org](mailto:support@icpt2022.org). In your email, please indicate if you will be in person or presenting virtually. If you are presenting virtually, you will need to provide a recording of the presentation to be uploaded to the virtual platform.

## CONCLUSIONS

See you at the Benson Hotel in Portland, Oregon, September 27-29, 2022.
